Windfalls is a working nursery, garden centre and chemical-free vegetable grower. We are part of the Mayo Mental Health Recovery Services that recognises the therapeutic value of gardening, nature and the outdoors.

Windfalls is located on a 3-acre site that used to be part of the old St.Mary's psychiatric hospital and the old farm Manager's house is our HQ. The site has undergone considerable development with the addition of tunnels, outdoor beds and the planting of a small woodland.

Westport Community Garden

Springfield Drive, Quay, Westport. Eircode F28 H1K6
Gemma Hensey Tel: 087 227 1177
Email: gemma.hensey@yahoo.ie

Westport Community Garden began in 2009. A major development in 2017 was securing funding from Local Agenda 21 for the provision of a polytunnel which produced its first crop in 2018, and is a major addition to the Community Garden. We have a great working group at present, people are free to bring up suggestions, try new things and to be sociable, especially since we now have a lovely new shed that one can sit in! The garden contains vegetables, fruit trees, flowers, and is expanding, and we hope to have a nature reserve in the future. New-comers are welcome. We meet on Tuesday and Thursday between 10.00 and 1.00. We run workshops occasionally. They usually run for 6 weeks. The session lasts 2 hours. The last 6 courses have been run on Thursdays but if there is enough demand, they could take place on Saturdays.

On the Open Days at 1pm, there will be a demonstration of how to make a spiral herb garden, and a talk about the benefits of a wormery at 1pm. Bring your own cup if you want a cuppa!!

Directions / Treoracha:

Travelling from Westport town towards the Quay, take the road directly opposite Westport Woods Hotel and continue straight to the Community Centre for parking. The Westport Community Garden is behind the Community Centre.
